II. NOTICE OF LAWFUL PLATFORM OPERATION

This document serves as formal notice that the digital platform operating at the domain aethyr-global.com (hereinafter "the Platform") constitutes a direct and protected implementation of the computer program registered under the above-referenced copyright certificate, issued by the Intellectual Property Office of the Republic of Serbia on 07 July 2025.

The rights holder, Miloš Ilić, is the sole registered author and copyright owner of the work titled 'Aethyr Global: Aethyr One' (Registration No. A-0282/2025). The Platform aethyr-global.com is an authorized online manifestation of this registered computer program and is operated exclusively under, and in full compliance with, the protections afforded by the Law on Copyright and Related Rights of the Republic of Serbia ("Sl. glasnik RS", br. 104/09, 99/11, 119/12, 29/16 — Decision of the Constitutional Court — and 66/19).

III. NOTICE REGARDING MODIFICATIONS AND IMPROVEMENTS TO THE PLATFORM

All modifications, updates, redesigns, feature additions, content revisions, structural changes, and other alterations made to aethyr-global.com since its initial deployment have been carried out exclusively by the registered author and rights holder, or under his direct authorization, for the sole purpose of improving, developing, and maintaining the computer program as a functional and evolving software work.

In accordance with Articles 17 and 18 of the Law on Copyright and Related Rights, the author retains the exclusive moral and economic rights to modify and adapt his work. Any changes reflected on the Platform represent lawful acts of continued authorship and software development, and do not constitute a waiver, abandonment, or modification of the copyright protections established herein.

All successive versions and states of the Platform are considered derivative works of the original registered computer program and remain protected under the same copyright registration and applicable law.

IV. ARCHIVAL EVIDENCE OF PLATFORM HISTORY

A contemporaneous and publicly accessible record of all versions and iterations of the Platform aethyr-global.com is maintained through the Internet Archive's Wayback Machine. This archival record constitutes verifiable, timestamped, and independently preserved documentary evidence of the Platform's continuous operation, development history, and all successive modifications made to the computer program.

The archived record is accessible at the following permanent reference URL:

https://web.archive.org/web/2026000000000*/https://aethyr-global.com/

This archival evidence may be relied upon in any administrative, civil, or other legal proceeding to establish the timeline, continuity, and authorship of all iterations of the Platform. The Wayback Machine records are generated automatically by the Internet Archive, a recognized digital preservation institution, and are widely accepted as evidence of website content and publication dates.

V. LEGAL PROTECTION AND ASSERTION OF RIGHTS

The rights holder hereby formally asserts all copyright protections afforded under:

- The Law on Copyright and Related Rights of the Republic of Serbia;
- The Berne Convention for the Protection of Literary and Artistic Works, to which the Republic of Serbia is a signatory;
- The WIPO Copyright Treaty (WCT);
- All applicable international intellectual property treaties and agreements.

Any person, entity, or organization that asserts claims of ownership, co-authorship, or rights in conflict with those established by Copyright Certificate No. A-0282/2025 is hereby put on notice that such claims are contested. The rights holder reserves the right to pursue all available legal remedies under domestic and international law against any unauthorized use, reproduction, distribution, or misappropriation of the registered work.

This document does not constitute a waiver of any rights, claims, or legal remedies available to the rights holder, and shall be construed broadly in favor of protecting the intellectual property interests of the registered author.
